

We Heard You

In 2004, the FAA New England Region had its first Airports Conference in over ten years. One of the most frequently heard comments was for us to not wait another decade for the next conference.

We have taken that message to heart. Our 2006 Conference is scheduled for October 23-25<sup>th</sup>, at the Burlington Marriott Hotel in Burlington, MA.

A Practical Agenda

We have designed this Conference to provide information to all airport professionals, from Airport management and operations staff to aviation consultants.

Our conference agenda includes the latest updates on AIP funding, discussions of airport design, planning and environmental issues, media relations and public coordination, and other practical topics of value to you.

A Convenient Location

The Burlington-Boston Marriott Hotel is located near FAA Regional Headquarters, and is easily accessible via Route 95/128. Hanscom Field is just minutes away, and express bus service to Boston-Logan International Airport is nearby.

For more hotel information, check out their website: [www.burlingtonmarriott.com](http://www.burlingtonmarriott.com).

For More Information

See our Conference website at <http://www.asballiance.com/events.asp> or call Nat Parker at 301-596-6031.
